Mini-Herpesvirus Workshop

Friday, September 09, 2022
Essen, Germany

Aim

This informal meeting provides an opportunity for young herpesvirus researchers to present their data to a knowledgeable audience, meet colleagues, and initiate collaborations. Graduate students and postdocs can present their work as short oral presentations, which will be selected from submitted abstracts. Keynote lectures will be given by Ofer Mandelboim (Jerusalem, Israel) and Michael Boeckh (Seattle, USA).

When and where

The workshop will be held on Friday, 09 September 2022, from 10 a.m. until 5.30 p.m. in the Teaching & Learning Centre ("Deichmann Auditorium") next to the Universitätsklinikum Essen Medical Campus, Virchowstr. 163a, 45147 Essen. From Düsseldorf airport take trains to Essen Hauptbahnhof. From Essen Hauptbahnhof take Tram 101 to Uniklinikum Essen or U-Bahn U17 to Holsterhauser Platz. For further directions and travel info see:
